# TruVision TVD-M-CMA Corner Mount Adapter Installation Instructions
Dimensions

Dimensions: 194 × 173 × 105 mm
(7.64 × 6.81 × 4.13 in.)

Accessories:

Screw A: SC-HSFM8×25-SUS, five pieces with flat washer. (Used to install a TruVision wall mount to the corner mount adapter.)

Anchor B: Expansion anchor, five pieces (Used to install the corner mount adapter to the mounting surface.)

Weight: 1.81 kg (3.99 lb.)

Supported brackets

The corner mount adapter can be used with the following wall mounts:

Wall mount brackets: TVD-SNB, TVD-M2-WM

Installation

For detailed instructions, refer to the installation guide for the camera that you are installing. The following requirements are mandatory precautions.
• The wall must be thick enough to install the expansion anchors.

• Ensure that the wall is strong enough to withstand more than eight times the weight of the camera, wall mount, and corner mount adapter.

To attach a wall mount to the corner mount adapter (TVD-M-CMA):

1. Install the wall mount on the corner mount adapter with screw A.

2. Mark the surface and drill four mounting holes. Install the corner mount adapter to the corner of a building using anchor B. Route the cables through the wall mount before bolting the corner adapter to the mounting surface.

3. To complete the installation, refer to the installation instructions for the specific wall mount.
