

960H video surveillance at a budget-friendly price

Quick & Easy Installation

- 1 Install cameras
- 2 Connect them to the DVR
- 3 Power up the DVR

- A complete all-in-one analog video solution
- Robust 960H H.264 DVR
- Premium 960H analog IR cameras
- 3-year warranty

Introducing the New TruVision® DVR 12 Analog Video Kits

Ideal for small retail stores, medical offices, gas stations and residential applications, the TruVision® DVR 12 analog video kit provides a complete, cost-effective surveillance solution.

Available in 4- and 8-channel configurations, each kit includes four TruVision 960H premium IR wedge cameras. Simple-to-install cameras requiring only two mounting screws and an easy to set-up DVR make installation fast and efficient. Manage multiple recorders with license-free TruVision Navigator VMS software, and view cameras on-the-go with the free TVRmobile app.

- **Premium 960H cameras in metal enclosure**
- **Full DVR front panel controls**
- **Free non-licensed Video Management Software**
- **3-year warranty**
